

## **2 John 1.**

Read the chapter. This is the only book in the New Testament addressed to a woman “Elect lady”. The purpose of this Epistle by John to warn friends against heresy (belief or opinion contrary to the doctrine of Christ (see **Hebrews 6**) and association with false teachers.

This is a “packed” little book dealing with love and truth.

Divine truth in its relation to believers:

1. unites them in fellowship;
2. eternally dwells in them;
3. in connection with love, characterizes the spirit of their greetings
4. loving obedience to, the pathway in which they walk.

Worldly Error:

1. has many deceitful advocates;
2. denies the incarnation of Christ;
3. must be guarded against;
4. departs from the teachings of Christ
5. the peril of fellowship with its followers

There is a protection from John to the woman that he is overseeing what is going on. I like that.
